Dear Website Administrator,

The Cheyenne County Kansas Community Foundation is excited to present our new website, **cckcf.org**. Volunteers have worked to present a current and enlightening site to reflect the foundation's history, vision and future for Cheyenne County. We invite you to check it out and are requesting that you update the link you may have on your website to our current active website – **cckcf.org**.

There are several old website addresses i.e. sfcommunityfoundation.org that may need deleted and our new site added. We are asking for your assistance, feel free to email, call or contact any board member if you need assistance doing this.

We look forward to working with you for Cheyenne County.

Thank you.
